Subject: Draft Standard Audit Program Agreement Template for Oil and Natural Gas

Hello Oil and Natural Gas Stakeholder –

As discussed at the Oil and Natural Gas Roundtable in February of this year, EPA is in the process of developing a New Owner Clean Air Act Audit Program tailored for the Oil and Natural Gas Sector. EPA developed a [draft standard audit program agreement template](#) and is now accepting comments through Monday, June 4, 2018. EPA will conduct outreach on the draft standard audit program and seek feedback from states, tribes, the regulated community, environmental organizations and other stakeholders. For those of you attending the Interstate Oil and Gas Compact Commission meeting starting on Sunday, May 6, we look forward to sharing more information on the draft standard audit program template during that meeting.

Please submit your individual comments directly to: chapman.apple@epa.gov, sullivan.tim@epa.gov, and williams.christopher@epa.gov. For questions regarding the draft, please contact Apple Chapman (Tel. 202-564-5666) or Tim Sullivan (Tel. 303-312-6196).

Sincerely,
Jim Kenney
